

Highland Park Community Outreach Open House

Highland Park Community Outreach (HPCO) is a non-profit ministry that has been reaching out to the children and youth of Highland Park for the past 15 years. Highland Park is a struggling city located in Detroit. Most of our kids have many challenges to overcome and are often not given the opportunities many other kids their age receive. Our desire is to **build relationships** with them and their families through various programs and mentoring and to **share with them the love of Christ**. It's exciting to see God working in this great city and to see lives being changed for Him!

We want to give you the opportunity to come check-out HPCO and see all that God is doing here. We will be holding an **OPEN HOUSE** at our ministry center. Come **fellowship** with us, **see our facilities**, hear **inspiring testimonies** of people whose lives have been touched by this ministry, **tour the city** of Highland Park and also hear how **you can partner** with us to help advance our cause.
